

Mr Boil Banov
Minister of Culture
17 Stamboliyski Blvd
1040 Sofia
Bulgaria

26 March 2020

Dear Mr Banov

Letter of support to the Bulgarian Cultural Sector

We would like to express our support for the independent cultural sector in Bulgaria, and the establishment of a social fund for freelancers. In addition, we support the creation of a structural fund for independent arts and cultural organisations in order to secure the sustainability of the sector.

We believe that the independent sector in every European country is an important contributor both economically and culturally, and we stand together in solidarity.

Yours sincerely

Anna Arthur
