DEAR MR BANOV,

We are sending this letter of support to the fight of independent cultural sector in Bulgaria to establish Social Fund of Solidarity for Freelancers in the field of arts and culture in Bulgaria, as well as establishing Structural Fund of Support for Bulgarian Independent Arts & Culture Organizations in order to secure the sustainability of the field.

We strongly believe that independent cultural scene in every European country is an important sector of the society, and we are here to stand for their support!

Sincerely,

Ása Richardsdóttir

Secretary General IETM – International Network for the Contemporary Performing Arts
